Our story

After working in the food industry more than a decade & worked for more than 3 brands, the duo of husband and wife comes to a conclusion that Ahmedabad need some North Indian cuisine in a new avatar.

So come up with the idea of authenticity and root flavours , they started their first outlet in 2020 at bhuyangdev cross road with new flavors of chur chur naan, Pindi chola . After launching, in sometime they got attention from the customers and people liked and valued the taste and authenticity of the food . The passion and the vision of the both resulted in one of the most respected food chain in Ahmedabad - now they are further planning to grow more outlets in Ahmedabad or outside the Ahmedabad with passionate people.
